

Quality Policy Statement

It is GSS Plant Ltd policy that the service that it offers shall meet with the expectations and requirements of clients every time. GSS Plant Ltd Top Management is committed to the ideals documented within the Quality Management System ISO 9001.

The GSS Plant Ltd Quality Management System focuses meeting and satisfying client requirements in a cost effective and professional manner. GSS Plant Ltd Top Management is committed to meeting all Statutory Regulations and where possible will build on this requirement to attain best practice.

People are GSS Plant Ltd greatest resource. GSS Plant Ltd employs suitably trained and qualified staff working to effective measures and using the correct levels of material and technological support. It is by the expedient use of these resources we ensure that the client s needs are always attained. All activities are correctly planned, executed, verified and reviewed in order to continuously improve the quality of the service offered.

Signed J. McGarry. Managing Director
